OFFICE OF INSPECTOR GENERAL OF EDUCATION IN MYSORE

No 9680 / 742

Bangalore 5th M a y 1911.

Edn 224-09-8

From

~~J WEIR Esq MA~~

The *Inspector General of Education in Mysore*

To C S Balasundaram Iyer, Esq , B A ,

Offg Secretary to the Government of H H the Maharaja of Mysore, General and Revenue Departments, Bangalore

SIR

I have the honour to state that Mr V Subrahmanya Iyer, B A , Head Master, High School, Tumkur and Secretary to the Committee appointed to consider the possibility etc of the introduction of Industrial Education in rural schools, has been asked, at the instance of Mr M Shama Rao , M A , the President of the same Committee, to go to several places in the state to study local circumstances in the view to the final report of the said Committee and any schemes they might choose to formulate It is believed Mr Subramanya Iyer can do the touring required during the vacation

2 He represents that the Travelling and other allowances he is entitled to would hardly cover his expenses as, not being a touring officer, he has to make arrangements to provide himself with a special equipment for this purpose. I agree with him and would recommend that he be treated more liberally ~~in~~ regard to these allowances while he is deputed to do this special work

3 This may be done in one of two ways - (a) Granting him the allowances he is usually entitled to and giving in addition, a special deputation allowance of at least Rs 50/- for the period

which

which may be between 3 weeks and a month, or (b) treating him while on deputation as a provincial officer and granting him the allowances etc, of a Deputy Inspector of his grade, whichever of these alternatives be more acceptable to Government

I have the honour to be,

Sir,

Your most obedient servant,

For Inspector General.
